The journal is open to (1) reports of research on the development and use of tests and measurements in education, government, and industry, (2) descriptions of testing programs being used for various purposes, (3) discussions of problems of measurement in general or in specific fields and (4) miscellaneous notes pertinent to the measurement field, such as suggestions of new types of items or improved methods of treating test data. Contributors receive one hundred reprints of their articles without charge. Manuscripts should be sent to Frederic Kuder, 917 15th Street, N. W., Washington 5, D. C. Writers are requested to include a biographical sketch with each manuscript, following the style of the section on contributors published in each issue.

EDUCATIONAL AND PSYCHOLOGICAL MEASUREMENT is published quarterly, one volume per calendar year, at N. Queen St. and McGovern Ave., Lancaster, Pa. and 917 Fifteenth St., N.W., Washington 5, D. C. Entered as second class matter October 8, 1945 at the Post Office at Lancaster, Pa., under the act of March 3, 1879. Copyright, 1946, by Frederic Kuder.

Subscription rate $4.00 a year, domestic and foreign. Single copies, $1.25. Back volumes: Volume V (1945), $5.00. Volumes I through IV are available in a small-print edition at $3.00 per volume (paper bound).
